NEW YORK, Dec. 26—A special from Key West to the World says: Steamship passengers say that general Rivera, who is in command of the army of Maceo, has sent a formal warning to general Weyler. General Rivera notified the Spanish capta ingeneral that if he persisted in his threats to kill pacifies found in the country, the Cubans will make reprisalso on all Spaniards whom they may capture.

General Weyler is affecting to disregard the warning. Those near him, owever, say he will not dare to carry out his ideas as ruthlessly as he inauthority to capture or to kill pacifics in the country and to force thier famalies into the garrisoned towns. tle extra food and the residents none to spare, this order lays a gaeat hard-ship on the poor country folk.
